- Lift, carry, load, and unload pavement marking materials, signs, barricades, barrels, etc.
- Prepare, clean and sweep work area to place pavement marking material on pavement.
- Set up and remove construction signs and traffic control items at job site when needed.
- Install, repair, and maintain lane striping, arrows, crosswalks, and other roadway/public area pavement markings.
- Install, repair, and maintain permanent tape, thermo tape, epoxy striping, arrows, crosswalks, and other roadway/public area pavement markings.
- Operate grinder to remove old lines and pavement markings.
- Read, interpret, and analyze engineering plans as they relate to and describe pavement marking procedures.
- Perform routine maintenance of pavement marking components/assemblies on mechanically propelled machines, compressors, job specific vehicles and other necessary equipment.
- Transport materials and equipment to and from job site when needed.
- Operate and maintain commercial vehicles of varying sizes and functionalities.
- Repair equipment, clean paint machines, assemble signs, and perform all other shop work necessary to prepare for onsite job functions.
- Complete tasks within time constraints.
- Follow company policies and maintain superior quality and safety at all times.
- Ability to decipher maps and navigate local streets and highways.
- Keep accurate and timely job logs and return them to the Pavement Marking Manager daily.
- Follow company process for pre-trip inspections.
- Communicate with the Pavement Marking Manager to ensure they are adequately informed on the project's progress.

JOB REQUIREMENTS

- High School diploma or equivalent
- Must obtain a class A CDL license within 6 months of employment in the position (may require Hazmat endorsement) and excellent driving record at all times
- Ability to lift a minimum of 50 pounds repetitively, reach overhead, bend, kneel and twist
- Ability to work in an outdoor environment and extreme weather conditions
- Ability to walk long distances consistently and drive for extended periods of time
- Flexibility to work varying shifts, nights, weekends, and travel overnight for extended periods of time

ADDITIONAL SKILLS AND QUALIFICATIONS

- Strong communication skills and ability to work closely with others in a team environment
- Must follow all company policies, procedures and processes for safe and successful completion of projects
- Ability to read and write clearly and legibly
- Demonstrate Mega Rentals' Core Values
